## JEEP® AVENGER LONGITUDE STANDARD EQUIPMENT

### SELEC-TERRAIN & HILL DESCENT CONTROL

The Selec-Terrain® system allows you to select one of six specific driving settings to deal with different terrain conditions. In addition, the Hill-Descent Control technology gives you maximum traction and grip when going downhill. Choose from Eco, Normal, Sport, Sand, Mud or Snow, combined with a ground clearance of 200+mm, it will give you that full Jeep feeling.

### 10.25" RADIO DISPLAY WITH APPLE CARPLAY & ANDROID AUTO WIRELESS

The new Longitude boasts a 100% digital interface, with a 10.25" Uconnect™ system and a 7" digital cluster. All with the added benefit of Apple Carplay and Android Auto wireless to accompany you on all your journeys.

### FULL-LED HEADLIGHTS & 16" ALLOY WHEELS

The new Longitude is characterised by front full-LED headlights that highlight its shape. Also, the 16" alloy wheels match the bold design of the model.

### BEST IN CLASS INTERIOR STORAGE

Maximise your storage capabilities with up to 34 litres\* of storage space across door panels (5.5l) glovebox (11.9l), cupholders (3.9l), armrest storage (3.1l), horizontal instrumental panel storage (2.8l) and central bin (up to 7.1l).

### REAR PARKING SENSOR

When parking becomes child's play. The new Longitude features rear parking sensors, providing the latest technology in terms of security and capability.

### ANTI THEFT ALARM

Have full piece of mind with your Anti Theft Volumetric Alarm keeping your Jeep Avenger safe with option of deactivation.

All pictures for illustrative purposes only. \*Up to 34 litres of storage space on automatic transmission.

# JEEP® AVENGER ALTITUDE STANDARD EQUIPMENT

(In addition to or replacing LONGITUDE specification)

## ADAPTIVE CRUISE CONTROL\*

Driver assistance at its best. Using your steering wheel controls, you can set your speed and distance from the vehicle in front of you. Keeping you at that distance, even at slow speeds.

## 17" ALLOY WHEELS

The new Altitude is characterised by 17" alloy wheels match the bold design of the model.

## PASSIVE ENTRY

No hands? No problem! With Passive Entry, you can unlock and lock your Jeep Avenger with your key safely in your pocket.

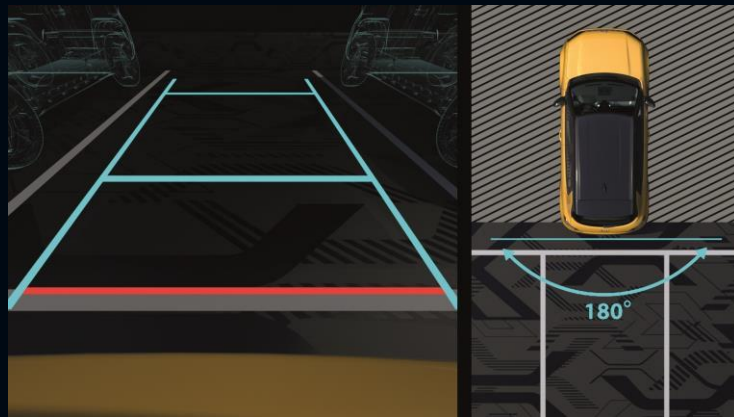

## WIRELESS CHARGING PAD

Wireless charging pad conveniently allows the user to charge their mobile device without the use of cables.

## 10.25" FULL COLOUR TFT DISPLAY

High-Definition screen with 1920 x 720 pixel resolution in full colour. Offering key information on the conditions of the journey (speed, mileage, fuel availability, etc.)

## 180 DEGREE REAR PARKING CAMERA WITH DRONE VIEW

The Altitude Rear Parking Camera with 180 degree functionality and Drone View will make parking your Jeep Avenger anywhere utterly effortless.

## 10.25" RADIO DISPLAY WITH APPLE CARPLAY & ANDROID AUTO WIRELESS AND NAVIGATION

The Altitude boasts a 100% digital interface, with a 10.25" Uconnect™ system and Navigation.

## POWER TAILGATE

Make life easier with the Handsfree Power Lift Tailgate which includes a 1,000 mm hatch width with an impressive 380 litre boot space.

[Jeepavenger.ie](http://Jeepavenger.ie)

All pictures for illustrative purposes only. \*Adaptive Cruise Control is not an autopilot. The driver will, at all times, remain fully responsible for their vehicle.

## JEEP® AVENGER SUMMIT STANDARD EQUIPMENT

(In addition to or replacing ALTITUDE specification. SUMMIT spec not currently available on 1.2L Petrol version)

### 360° PARKING SENSORS WITH REAR CAMERA

The 360° parking sensors give you a complete view over the space around the vehicle, making manoeuvring easier in any situation. The rear Parkview® Camera shows you a High-Definition image of the area behind your vehicle.

**HEATED DOOR MIRRORS WITH POWER FOLDING FUNCTION FINISHED WITH A CONVENIENT PUDDLE LAMP**

**ADAPTIVE CRUISE CONTROL WITH LANE CENTERING & TRAFFIC JAM ASSIST**

**FRONT & REAR VELOUR FLOOR MATS**

**PRIVACY GLASS**

**AUTOMATIC HIGH BEAM**

### FULL-LEDs FRONT & REAR AND 18" ALLOY WHEELS

The new Summit is equipped with exclusive 18" alloy wheels, adding an extra touch of personality to the model. Also, full-LED projector headlights and taillights provide optimal illumination on all your adventures.

JEEP® AVENGER E-HYBRID

### e-Creep

The electric motor and the thermal engine can move the front axle independently. This means that all low-speed manoeuvres can be performed in silent, all-electric mode for more than 50% of the trip in city driving, greatly reducing the stress of the daily drive. The new Avenger e-Hybrid offers a seamless driving comfort, from parking the car with e-parking up to making traffic jams almost bearable thanks to the ease of e-creeping and e-queuing features. In addition, the new Avenger e-Hybrid can run for up to 1 km with the combustion engine switched off for smooth driving in low-emission areas such as the 30 km/h zones.

# JEEP® AVENGER

All prices and product options are based on current information at time of publication approval (01/25). Visit [Jeepavenger.ie](http://Jeepavenger.ie) for latest information.

\*These figures were obtained after the battery had been fully charged. The Jeep® Avenger is a battery electric vehicle requiring mains electricity for charging. Figures shown are for comparability purposes. Only compare electric range figures with other cars tested to the same technical procedures. These figures may not reflect real life driving results, which will depend upon a number of factors including the starting charge of the battery, accessories fitted (post-registration), variations in weather, driving styles and vehicle load.

Jeep® Avenger 1st EDITION Full Electric: CO2 emissions (weighted, combined) (g/km): 0. Electric energy consumption (weighted, combined) (kWh/100 km): 15,9; electric range 385-390km (combined cycle). Values are calculated with the WLTP procedure (EU Regulation 2018/1832). The values indicated for energy consumption and electric range are measured by the manufacturer on pre-approval tests, according to the WLTP procedure (EU Regulation 2018/1832), and may be subject to modification depending upon the definitive homologation. The values indicated are for comparative purposes. Only compare CO2 and electric range figures with other cars tested to the same technical procedures. The Jeep® Avenger is a battery electric vehicle requiring These figures may not reflect real life driving results and the actual electric energy consumption values may be strongly different and may vary depending upon the conditions of use and on various factors such as: options, frequency of electric recharge per travelled kilometres, ambient temperature, driving style, speed, total weight, use of certain equipment (air conditioning, heating, radio, navigation, lights etc., tire types and conditions, road conditions, external climatic conditions, etc.

Prices, fuel consumption and CO2 emission figures are correct as of 1<sup>st</sup> June 2024 and published to our dealer network which may be subject to change. Colours of vehicles shown may not match the actual colour.

[Jeepavenger.ie](http://Jeepavenger.ie)
